WA/2026/00015 MARINERS, 88 PETWORTH ROAD, HASLEMERE GU27 3AU

The application is for the erection of an uncovered padel court with glass enclosure and associated works. The proposed padel court will be situated away from the main dwelling, close to the road and a neighbouring property. The committee had concerns about the potential for noise harming the residential amenity of the neighbours and voted to **object** to this application on the following grounds.

- The proposed development would result in unacceptable levels of noise, leading to a detrimental impact on residential amenity of neighbouring properties contrary to policies TD1 of the Local Plan Part 1 and DM5 of the Local Plan Part 2.
